

## Agenda Additive Alliance Event 28<sup>th</sup> October 2021

|       | Auditorium 1 <sup>st</sup> floor   | Big Hall 4 <sup>th</sup> floor                       |
|-------|--|--|
| 08:00 | Pick up of Event bags and name badges at the Registration Desk   | Individual Networking                                |
| 09:00 | Welcome and introduction by Prof. Beyer, Head of Fraunhofer IAPT   |  |
| 09:10 | News about the Additive Alliance by Denise Loder, Fraunhofer IAPT  |  |
| 09:20 | Presentation Deep Dive ' <b>Cost effective Powders for LBM</b> ' by Maximilian Kluge, Fraunhofer IAPT                          |  |
| 10:00 |  | <b>Networking Break with coffee and snack buffet</b> |
| 10:40 | Presentation Deep Dive ' <b>Application potentials of TPMS</b> ' by Dr. Tim Wischeropp, Fraunhofer IAPT                        | Individual Networking                                |
| 11:20 | Presentation Deep Dive ' <b>Post-Processing of Metal Fused Deposition Modeling Parts</b> ' by Lennart Waalkes, Fraunhofer IAPT |  |
| 12:00 |  | <b>Lunch break with buffet</b>                       |

|       | Auditorium 1 <sup>st</sup> floor  | Big Hall 4 <sup>th</sup> floor                       |
|-------|---|--|
| 13:00 | Introduction to focus topic 'Post-processing' by Dr. Philipp Imgrund, Fraunhofer IAPT   | Individual Networking                                |
| 13:10 | ' <b>Chemistry and Electrochemistry as key technologies for post-processing Additive Manufacturing parts</b> ' by Belén García, CIDETEC                   |  |
| 13:55 | ' <b>Finding a better way... in Post Processing / one partner – many AM solutions</b> ' by Valentin Schulz, Rösler Oberflächentechnik GmbH/AM solutions   |  |
| 14:40 |   | <b>Networking break with coffee and snack buffet</b> |
| 15:20 | ' <b>Producing Customer-Ready Parts - Navigating the Leap from Prototyping to Production</b> ' by Florian J. Künne, PostProcess Technologies Germany GmbH | Individual Networking                                |
| 16:05 | ' <b>Hot Isostatic Pressing of Additive Manufactured Parts</b> ' by Viviane Kettermann Fernandes, Aalberts Surface Technologies GmbH                      |  |
| 16:50 | Draw prize for participants of Alliance Survey  |  |
| 17:00 | Concluding words by Denise Loder, Fraunhofer IAPT   |  |
| 17:10 | <b>End of Alliance Event</b>  |  |
